None at this time

Briefly list organizations, events, rallies, canvassing, referendums, or petitions you have engaged in to advocate for environmental protections?

I am on the Advisory Board of Pacific Northwest Hydrogen Association (PNWH2), and on the Washington Blue Green Alliance steering committee.

If elected or re-elected what specific environment, climate change, biodiversity, and environmental justice legislation will you prioritize and champion?

I support the transition to a clean fuel and a green economy and will do all I can to fight climate change and environmental harm.

For state office positions, what action will you take to accelerate efforts towards Washington State's 2030 Climate Goals, specifically a 45% reduction of carbon pollution below 1990 levels?

I will support legislation working toward those goals.
